

First Work Sessions of EDICE Programme – Stockholm, Sweden

9th-11th May, 2011
Stockholm University
ISPLA

Scope & Objectives

Created in 2002, EDICE Programme is an international research network that coordinates studies on the discourse of politeness in the Spanish language. The kick-off phase was financed by a STINT Institutional Grant (2002-2005) and also by other major financing institutions.

EDICE Programme aims at:

- Contributing to the development of theoretical models in the research area of politeness in Spanish.
- Promoting the interaction between scholars of Spanish.
- Stimulating the study of Spanish as a Foreign Language from a socio-cultural perspective.
- Improving the research and teaching of the Spanish language.
- Promoting intercultural understanding.
